### REMINDERS:

The CBA Concert Band Regional is the band equivalent to a state-level standardized test. These performances are an opportunity for our bands to be adjudicated, rated, and given feedback for student (and director!) growth individually and collectively.

While in our clinic – be respectful and attentive to our clinicians. They will provide valuable feedback and recommendations – and will most likely ask you to do things we haven't tried before.

While in the audience – be awesome! No cell phones, no talking, no slouching. Stand after band performances and clap, as is customary for CBA-level events.

*(Schedule of bands performing that day are on the next page.)*
